Description			
Provide a short description of the event and its activities.			
<p>Within the framework of WP1, some events were organized in Sondrio, between November 9th and 12th, 2023, which saw the participation of a delegation of citizens from Sindelfingen composed of 30 people (20 men and 10 women). From November 9 to 12, 2023, a delegation of students from Gottlieb-Daimler-Schule Karte - Sindelfingen, accompanied by teachers and representatives of the municipal administration of Sindelfingen, stayed in Sondrio. During their visit, they participated in events organized by the municipal administration of Sondrio in collaboration with the "E. Mattei" Technical Institute.</p> <p>On November 9, students and teachers took part in a workshop, engaging in discussions with Italian</p>			

teachers and students on the topic of education and school orientation. On November 10, students teachers from Sindelfingen met with representatives of the municipal administration of Sondrio to discuss school exchange opportunities offered by the Municipality of Sondrio. Additional meetings took place on the same day.

The first meeting focused on the theme of sports and the importance of sports activities in the lifestyle of young people. Some young athletes from Sindelfingen (23), participating in the "Valtellina Wine Trail" race (<https://www.valtellinawinetrail.com/>) on November 11, 2023, engaged in discussions with young athletes from Sondrio. On the same day, 9 students from Sindelfingen met their peers from the "E. Mattei" Technical Institute in Sondrio to discuss topics related to sustainable development and alternative energies.

The November events were preceded by several preliminary and preparatory meetings, which took place in Sondrio in the months of September and October 2023.

On September 22, 2023, 13 officials from the marketing and tourism office of the Municipality of Sindelfingen participated in a meeting organized at the Municipality of Sondrio. The meeting was facilitated by the official in charge of tourism marketing and twinning services at the municipal administration of Sondrio. The purpose of the meeting was to strengthen dialogue and collaboration between representatives of the twinned municipalities, fostering mutual understanding and planning future activities. On October 6, 2023, an event took place in Sondrio, attended by institutional representatives from the Municipality of Sondrio, including the mayor, some councilors, and representatives from the city council, along with other members of civil society. Additionally, three representatives from the Municipality of Sindelfingen participated. The meeting was organized with the aim of sharing the goals of the twinning and identifying further areas of cooperation and collaboration.

The number of participants in the meetings held in September and October is not included in the count of participants for this WP.
